

Subcontractor Opportunities

Join Us at Steele Global Solutions

At Steele Global Solutions, we believe in the power of collaboration and the value of diverse partnerships. As a certified minority, woman, and veteran-owned business, we are committed to fostering relationships with subcontractors who share our dedication to excellence and innovation.

Who We Are:

Steele Global Solutions specializes in providing high-quality services to government agencies and commercial clients. Our areas of expertise include government contracting, project management, logistics and supply chain management, cybersecurity solutions, and catering services.

Why Partner with Us:

- **Collaborative Environment:** We value input and innovation from our subcontracting partners.
- **Commitment to Quality:** We are dedicated to delivering high-quality services and expect the same from our partners.
- **Diverse Opportunities:** Work alongside a dynamic team on various projects that promote growth and success.

What We're Looking For:

We are seeking subcontractors who can provide the following services:

- IT Services, Logistics Support, Cyber Security Services
- Experience working with government contracts is a plus.
- Strong commitment to quality and customer satisfaction.
